

**Arid Land Research Center, Tottori University**  
**Recruitment of Project Researcher**

Research field

1. Life science  
Ecology and environment
2. Environmental science  
Environmental dynamic analysis
3. Natural science  
Atmospheric and hydrospheric sciences

**1. Background of the Recruitment:**

The Arid Land Research Center (ALRC) is a research institution affiliated to Tottori University, and it serves as a “Joint Usage/Research Center” in the field of dryland science. Please visit our website for the further details: [http://www.alrc.tottori-u.ac.jp/english/e\\_index.html](http://www.alrc.tottori-u.ac.jp/english/e_index.html).

ALRC has been carrying out “**Response of CO<sub>2</sub> fluxes to water addition focusing on the difference in dominant plant species in a grassland ecosystem in Mongolia**”. To enhance its activity, we would like to hire an excellent project researcher.

**2. Ideal Candidate:**

Those who have the ability to conduct vegetation surveys, observations, and data analysis in Mongolia, and who are interested in research "Response of CO<sub>2</sub> fluxes to water addition focusing on the difference in dominant plant species in a grassland ecosystem in Mongolia".

**3. Qualifications:**

- (1) Possess a doctoral degree (Applicants expected to obtain a doctoral degree by the expected date of employment are also considered.)
- (2) Outstanding achievements in academic fields related to "2. Ideal Candidate".
- (3) Skill of writing in English.
- (4) Communication skills in Japanese and Mongolian

**4. Period of Employment:**

From April 1, 2025 to September 30, 2025. No extensions. Start date is negotiable.

Work Hours: Five days per week on weekdays (8:30 AM to 5:15 PM, 5 hours per day)

**5. Compensation and Benefits:**

- Conditions of employment including salary are subject to the regulations of Tottori University
- Insurance: Health and Welfare, Health, Employment, Workers' Compensation
- Allowances: Commuting allowance

-Eligible to apply for Grant-in-Aid for Scientific Research

## **6. Application documents:**

- (1) Curriculum vitae (free format, with photo of applicant and contact information)
- (2) List of research achievements/performances (Free format; list article publications, conference presentations and others by category)
- (3) Summary of track record in research and objectives of future research activities (about 1 page on A4 size paper)
- (4) Contact information for two people who can provide insights into the applicant's qualifications

## **7. Application deadline :** January 24, 2025 (Application must arrive no later than 5pm JST.)

\*\* Application documents will not be used for any purposes other than selection for announced position.

\*\* Application documents will not be returned to applicants.

## **8. Selection method:**

Screening based on application documents. Interview might be held in case deemed necessary.

\*\* Selection results will be notified regardless of acceptance or rejection.

## **9. Submission / Contact Information:**
