2.4 List of Publications, Presentations and Reports

1) International Journals / book

**Subdivision of Natural Environment**

**Subdivision of Plant Ecophysiology**
**Subdivision of Plant Production**

**Subdivision of Land Conservation**

**Subdivision of Natural Environment**

Kimura, R. (Nov. 2004): Local meteorology (Section 2.5.2), Morikita, Tokyo, 244pp.

**Subdivision of Water Resources**

List of Publications, Presentations and Reports

Subdivision of Plant Ecophysiology

Subdivision of Plant Production

Han, WJ. and Hamamura. K. (Dec.,2004): Effects of salt treatment on growth and nutrient absorption of Salicornia plant (Salicornia bigelovii Torr.), Arid Land Study 14(2):75-80

Subdivision of Revegetation and Grassland Development

Satoshi Yamada, Yoko Kawai, Masuo Yamanouchi, Norikazu Yamanaka, Tsuneyoshi Endo, Hisashi Manabe (2004.10) Comparison of the Mineral distribution characteristics of seven species of plants growing on tottori coastal sand dune during summer and early autumn, Sand dune research 51:75-81

Subdivision of Land Conservation

List of Publications, Presentations and Reports

(2) Presentations

Subdivision of Natural Environment

**Subdivision of Water Resources**

**Subdivision of Plant Ecophysiology**

**Subdivision of Revegetation and Grassland Development**

Ando,M., Kaneko, T., Yamazaki, M., Yamanaka, N., Hasegawa, N., Sakai, T., Kaneko, Y., Oohata, S. and

**Subdivision of Land Conservation**

Inoue M. (Sep. 2004): Parameter estimation of root water uptake
List of Publications, Presentations and Reports

(3) Reports
